Volunteering and Mentoring • Mentores y Voluntarios • Travay kòm Volontè epi ede Timoun

This section is not only for you, but for your teenagers and older children as well. Volunteering strengthens the community in which you live, gives you life experience, and makes the family stronger. It also gives you the opportunity to help those who cannot help themselves, meet new people, and give back a little bit of what has been given to you. We depend on each other to make this community thrive. This section includes a few of the many organizations that would love for you and your children to lend a helping hand.

Esta sección no es sólo para usted, sino también para los adolescentes y niños mayores. El trabajo voluntario fortalece la comunidad en la que usted vive, le ofrece experiencias inigualables y fortalece la familia; por otra parte, le da a usted la oportunidad de ayudar a quienes no pueden ayudarse a sí mismos y le retorna un poquito de cuanto usted ha dado. Nosotros todos dependemos los unos de los otros para hacer prosperar esta comunidad. En esta sección aparecen algunas de las muchas organizaciones que les podrían brindar a usted y a sus hijos todo su apoyo.

Seksyon sa a pa pou wou sèlman, li la pou timoun ki nan laj 12, 13 an ak sa ki pi gran yo tou. Lè ou travay kòm volontè nan kominote w la, sa bay kominote a anpil fòs, sa ba wou anpil esperyans nan lavi a, epi sa fè fanmi ou vin gen plis fòs. Sa ba ou chans tou pou w ede moun ki pa ka ede tèt yo, sa pèmèt ou fè konesans ak lòt moun, epi sa pèmèt ou fè pou lòt moun sa lòt moun te fè pou wou. Nou depann youn sou lòt pou nou fè kominote nou an fleri. Seksyon sa gen yon lis de twa non òganizasyon ki ta renmen pou ou menm ansanm ak pitit ou pase ba yo yon koutmen.
