Since 1990, the Children's Services Council of St. Lucie County has been a dedicated steward of taxpayer dollars, providing funding for prevention and early intervention programs, advocating for children, and training the social service workforce that provides services to children and families.

OVERVIEW

The mission of the Children’s Services Council of St. Lucie County is to improve the quality of life for all children in St. Lucie County. In order to achieve its mission, CSC advocates for children by developing resources, coordinating and funding services for children in a fiscally responsible manner with families, community, government and service providers.

The Children’s Services Council of St. Lucie County’s priority areas are determined by a combination and review of major community indicators (Annual CSC Report Card), the Community Needs Assessment (in collaboration with the United Way) and the Comprehensive Strategy (developed with the Roundtable of St. Lucie County). Children’s Services Council funds programs that instill the positive promotion of:

- Healthy Families and Babies
- School Readiness and School Success
- Family Building and Strengthening
- Teen Wellness and Healthy Lifestyles
- Out-of-School Activities and Youth Development

The following report provides fiscal and programmatic performance for the period of October 2011 through September 30, 2012 for each of the fifty-three programs funded for fiscal year 2011-2012.
