Dear Mr. Boyle & Ms. Mock,

I am writing this letter to express my gratitude for selecting me to receive the Children's Services Council Outstanding Youth Scholarship award this year.

Upon graduation from Fort Pierce Westwood High School's Marine & Oceanographic Academy, I will be attending the University of Florida's College of Engineering commencing this summer term. I intend to pursue a Bachelor's degree in Mechanical Engineering. My career goal is to focus on robotics and automation design.

I feel extremely fortunate to have been selected to receive your scholarship. Your generous gift will allow me to purchase the special engineering laptop required by UF's College of Engineering. Without this scholarship, I may not have been able to pursue my degree and become an engineer.

Thank you again. I truly appreciate your assistance.

Sincerely,

Tomás
