Hi Ashley and Jim,

I hope you're both doing well. I want to thank you again on behalf of the Newborn Nurse Home Visit Program for the Anniversary CSC T-shirts! We donned our shirts at a recent virtual meeting and took a selfie. You have permission to use the attached photo on social media.

The Newborn Nurse Home Visit Program is proud to be part of Children's Services Council's multi-faceted outreach to families on the Treasure Coast. Together we positively impact families both Today and for the Future. Thank you for all that you accomplish in St. Lucie County!

**Bernadette Urbina, BSN, RN, RNC-MN, IBCLC**
