

Touch Points - BGC LSA Frontline

10/1/20

BGC/CHU

I spoke with Kayla who said they have 20 registered for Learning Launchpad. 12 were present and engaged with school assignments. Masks were being worn and safety guidelines were being followed.

BGC/KPU

KPU's Learning Launchpad operates from the Port St. Lucie Civic Center. I spoke with Page who said there were 18 youths present. Youth were following social distance guidelines. A couple of elementary youth had to be reminded to wear their masks. I stressed that masks are to always be worn. Adequate staff was present, and the youth were actively working.

10/2/20

BGC.GTU

30 youth were present, and the entire building was used to keep social distance guidelines. Masks were being worn as the youth completed school assignments.

LSA

There were 17 youth present with masks being worn as they worked on school assignments. The youth were in different groups by age. No issues observed at the time of this visit.

Frontline

I met with Mr. Gayman. 4 youth was present with 2 staff. I spoke with Edna to answer concerns about youth attendance for the quarterly report. I reminded the staff to ensure that masks are always being worn.
