Dear Mr. Boyle,

On behalf of all of us at 211 Palm Beach/Treasure Coast, thank you for your generous grant award of \$64,861 to support our 211 HelpLine's 24-hour Treasure Coast Resource Center, our Help Me Grow Program, and our Special Needs HelpLine. Your continued support of our mission is deeply gratifying to us, and we hope it is the same for you.

For the last 51 years, the 211 HelpLine has connected those in need of help with mental health and crisis/suicide intervention, substance abuse, and information and referral services, providing thousands of referrals to residents. The support from funders like you allows us to be an invaluable lifeline to hundreds of people a day, and we simply can't thank you enough.

As community needs have grown, so too have the services at 211 continued to strengthen and adapt, becoming more vital to thousands, and making our team very busy! To keep up, we've developed new partnerships, upgraded our phone systems and follow-up response, and increased our impact with the unveiling of the nationwide 3-digit dialing code for suicide prevention, 988. To stay up to date with the latest news, check out our website: www.211TreasureCoast.org.

Again, thank you for your support. We couldn't fulfill our mission without the generosity and dedication from partners like you!

Warmest Wishes,

Sharon L'Herrou
